

St. James United Church, Sambro Pastoral Care

As a church family we care for one another.
Together we celebrate things that bring us joy:
new babies, birthdays, weddings, anniversaries,
graduations, achievements at school or at work, and so on.
And we support one another through difficult times,
such as illness, surgery, death, loneliness, job loss.

An important way of doing this is through “pastoral care.”
Pastoral care is reaching out
to establish and maintain connection with one another.
It involves listening, visiting, caring, comforting, encouraging, nurturing.
It involves fellowship and being in community.
We do this because Jesus said to take care of one another.

If you or someone you know is in need of prayer,
could benefit from a greeting card or phone call,
or would like a home or hospital visit from the minister,
please let us know.
